Live | Git

- Collaborated with 2 other programmers and utilized Git for version control.

EXPERIENCE

jQuery

Git

Graduate Researcher: Statistical Analysis of Petrochemical Technologies

Texas A&M University (Aug 2014 – Dec 2015)

- Pioneered data mining techniques in research group. A fundamental switch from normal polynomial regression.
- Elucidated an 8.2% decrease in theoretical production costs of jet fuel.

Graduate Teaching Assistantships

Texas A&M University (May 2014 – Dec 2015)

- Planned, designed, and presented supplementary lectures (two hour sessions) twice a week.
- Proctored student labs and worked with them to resolve issues with lab materials.

EDUCATION

MS Chemical Engineering

Texas A&M University (Sept 2013 – Dec 2015)

BS Chemistry

University of California, Santa Cruz (Sept 2008 – Aug 2012)
